## National Television Campaign Leads

PC Matic is building out a network of reseller partners and providing leads directly to them that come in from our National Television Campaigns. We're fielding leads in the double digits every day and passing them on to our partners, who will close and service them allowing their own business to grow. These leads are unique as they are often coming to us with credit card in hand ready to purchase.

- ✓ Leads are coming from all sizes and verticals.
- ✓ You have a great opportunity to attach your own managed services.
- ✓ Leads are shared with partners on a national or regional basis.
- ✓ Partners that continue to convert leads we provide them will receive more from us!
- ✓ We're committed to continuing and expanding our advertising campaigns

Become a part of our partner network and we'll help you grow as you continue to help us grow!
